

A trusted partner to the fintech industry

With a proven track record across the UK, US, and Europe, Renovata & Company has spent the past decade helping the world’s most ambitious fintech companies scale, hire, and transform.

The placements listed reflect the breadth of hiring we’ve supported across the fintech sector.

Whether building founding teams, navigating leadership change, or driving value creation, we help founders, investors, and senior operators secure the talent that moves businesses forward.

We partner with investor-backed and corporate businesses at every stage of growth delivering leadership search and advisory through a team that blends global reach with deep local insight.

Our “One Partner. One Platform.” approach is built for speed, precision, and trust.

If you need executive search support, require consultation, or are considering a career move yourself, please do not hesitate to get in touch.
